High-quality and efficient ingredients for your formulations

CRANDØR™ TotalPAC

Premium full-spectrum organic cranberry powder with natural and gentle mechanical exfoliating properties. Sought after for its content of proanthocyanidins (PACs, antioxidants).

100% cranberries (*Vaccinium macrocarpon*) made with a gentle production method to concentrate PACs and preserve the fruit's nutrients in their natural, unaltered state.

Perfect for

- Exfoliating products
- Sugar polishers
- Face masks
- Tinted lip balms
- Soap

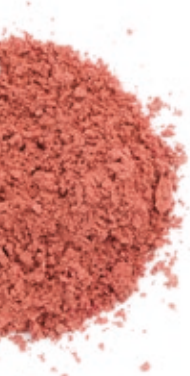

BLUEDØR™ PureWild

A wild blueberry powder made from wild blueberries grown in the Nordic regions of Canada with natural and gentle mechanical exfoliating properties.

Made from 100% wild blueberries (*Vaccinium angustifolium*) with field to finish advantages. Valued for its polyphenols benefits (antioxidants).

Perfect for

- Exfoliating products
- Sugar polishers
- Face masks
- Makeup products

CRANDOR™ Bios

A premium upcycle cranberry powder derived from the seeds of the cranberry (*Vaccinium macrocarpon*), from which the oil has been extracted using a cold-press process. Provides effective mechanical exfoliation and a naturally beautiful plastic-free alternative.

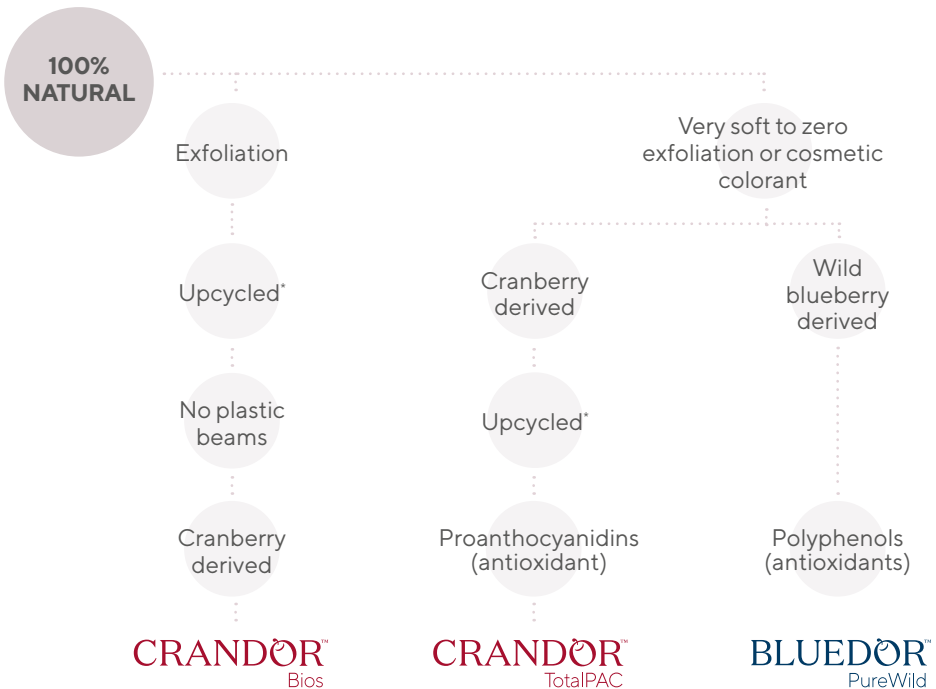

Sustainably produced as it is made from 100% upcycled cranberry seeds.

Perfect for

- Face and body scrubs
- Polishes
- Masks
- Cleansers
- Soaps

Three reasons to choose Fruit d'Or

The Fruit d'Or difference.

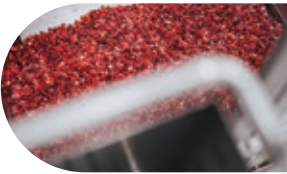

Clean label

Grown and processed to preserve all the benefits of nature. Whether non-GMO conventional or organic, our products are free from additives such as anti-caking agents, free-flow agents, and solvents. Our ingredients contain no added sugars, preservatives, flavors, or colors. The drying process for our powders preserves the fruits' nutrients and phytochemicals in their natural, unaltered state. Our cosmetic powders are 100% wild blueberries or 100% cranberries. No compromises.

Vertically integrated ingredients

Our berries never leave our sight. With an integrated approach across production lines and traceability from field to delivery, we have complete control over the journey from seed to crop to finished product. Our team of in-house agronomists are world-class cranberry and wild blueberry experts who enable our growers with innovative techniques, so you can rest assured that you are getting the very best ingredients your discerning customers want.

High-quality supply chain & certifications

We adhere to the strictest food safety standards and certifications. The company closely monitors the quality of seeds, crops, and the finished product. Ingredients undergo rigorous testing to maintain the high quality for which Fruit d'Or is known. We are the world's largest grower and processor of organic cranberries and the second-largest grower and processor of organic wild blueberries, with the most stringent certifications and compliance for all our products.

Certifications

Certified Organic by Ecocert Canada. Our process complies with the Food and Drugs Act (R.S.C., 1985, c. F-27) and with the Safe Food for Canadians Regulations (SOR/2018-108) of the government of Canada, with the Food Safety Modernization Act of the U.S. Food and Drug Administration.
